Do you wish to trade-in or sell your gear outright to Gorge Fly Shop?

If you wish to trade-in for new gear, what type of gear are you interested in purchasing?

Terms

(Please Read Carefully) - We generally prefer fly rod and reels as trade in items, but we will consider any fly fishing gear for trade but reserve the right to refuse anything for any reason. **Keep in mind** that used gear is only worth what the current market will pay regardless of what you paid for it. We recommend contacting us for an estimated value of your equipment before sending it in to get reviewed. Final determined value can only be made upon inspection of your equipment.

Customer is responsible for shipping items to us (We recommend a reliable insured method).

Customer is responsible for a completely filled in Trade-in form. No item will be considered without this form. We will than contact you and decide on an appropriate value. If no decision can be reached, customer will be responsible for the actual return shipping cost.

Items we will not consider – Used waders, used boots, used fly lines and any heavily worn or abused items.
